

MODENA

Our producer is rooted in the heart of "Lambrusco Land": the vineyards and the Company headquarter are located in the provinces of Modena and Reggio Emilia, in Emilia Romagna region.

Since generations, the family is dedicated to the care of fields and vines. A passion that in the old '60, led the family expand Lambrusco's name beyond Italian borders bringing it to the status of Italian best-selling wine all over the world.

In addition to Lambrusco, the winery produces sparkling wines and non-alcoholic sparkling grapejuices, thanks to a pioneering attitude of the founder.

Innovative and nonconformist, the firm is since ever bounded to the world of sports thanks to the sponsorizations of teams and champions in various fields such as soccer, cycling and rugby, but among all of them, the one that is nowadays imprinted in everyone's memory is the partnership with Ferrari team and Gilles Villeneuve.
